City Physician

To the Democratic Voters:

I am a candidate for City Physician, running strictly on my own merits, and I am not tied up with any other candidate or faction.

If elected, the public health will be my first consideration. Pensacola should be one of the healthiest cities in the world. It ought to be practically free from mosquitoes and from all forms of malarial fever. It can be free from mosquitoes if the proper methods are employed and precautions taken.

I shall appreciate your support on Tuesday and I promise you in advance the best service of which I am capable.

WM. M. NOBLES.

City Physician

Leaders of Fashion

The most perfectly dressed women in Pensacola are wearers of Boston Shoe Store shoes. They are the leaders in fashions in foot coverings, which accounts for the large number of women wearing them.

For three, three fifty and four dollars you get choice of the widest possible range of leathers and modes. The velvets and suedes are exceedingly popular.

COULD YOU PERSUADE ANY PIANO OWNER TO BE WITHOUT ONE?

Or, could you persuade any owner of a Steger & Sons Piano to get a poor piano instead? Ask any owner of a Steger Piano about it.

You'll learn that a Steger & Sons Piano becomes the "mainstay" of the homes into which it goes—that it not only delights and satisfies the musical members of these families, but that it makes such homes the Mecca of music-loving friends.

Only a newer or costlier instrument of the same manufacture ever replaces a Steger & Sons Piano in a home where they "know" and appreciate piano excellence.

Prices range from \$350 to \$500, with convenient terms to responsible people.
